

Hello,

My name is Juliana Cazassa and I am a senior at Nathan Hale-Ray High School and painting has been a passion of mine for many years. As a part of the senior year curriculum, we are required to create a 'Senior Project' that exemplifies a passion of ours and future career plans. As a part of my project, I am creating a large mural-type piece to hang up in the school celebrating the town through a painting. With the project, I am encouraged to participate in a job shadow, interview, or real-life application of my focus. For this part, I am hosting this painting activity to help teach young artists in our community how to paint. Previously, I have taught classes through the Youth and Family Services over the summer in a similar manner. For this activity, I am looking for your permission to take photos of this event to post on my final presentation.

If you are interested in visiting the final exposition, it will be held in the Gym at Nathan Hale-Ray High School on January 13th, 6 to 8 pm.

Thank you,
Juliana Cazassa
